

Christina Ambubuyog Classes, Workshops & Readings

Christina Ambubuyog believes deeply that it's your birthright to live the most joyous, exciting and abundant life of your dreams! As an Inspirational Artist, Intuitive Consultant and Transformation Coach, she has expanded her Spiritual path ever since her first contact with the other side at the age of 8 years young. A graduate of the Clairvoyant Program at *Invision Chicago* and currently receiving her Certification in Life and Spiritual Coaching at *The International Coach Academy*, she believes in always learning and growing. Dedicated to being of service to others, Christina reaches out to clients internationally and her artwork and murals can be seen throughout homes and businesses around the country. With her playful and bright style of creating, teaching and sharing, Christina loves to awaken you to an authentic life of love, laughter and passionate purpose.

Intuitive Clairvoyant Readings

A reading promotes the powerful capabilities of your spirit to make conscious choices that align with your truth. Rather than predicting your future and with respect to free will, I am able to look at the energy of the steps you may take around certain areas in your life. Receive clarity and alignment with your Spirit and manifest the greatest possibilities for yourself.
