

## TAROT Workshops

by: Rev. Carole Grissett, MBA, MA

Working with the Tarot brings to light a confirmation of things you've always known (your own inner wisdom) or it adds a new perspective to a perplexing question or problem. The **Intuitive** and **Classical** approaches to Tarot offered below will give you different but complimentary understanding of this ancient and popular metaphysical tool.

**Intuitive Tarot** – Learn to read the cards with no rules, no books and no memorization!

**\$60 for all 3 classes– Prepayment for all classes required – Space is limited!**

**Class 1 – The Minor Arcana** **Tuesday, Nov 3, 2009**

These cards deal with every eventuality a life can offer, from careers to relationships, from emotions to cold, hard cash. They represent the choices we make in our everyday lives.

**Class 2 – The Court Cards** **Tuesday, Nov 10, 2009**

Who *are* these people? Sometimes they are folks in your life or an aspect of yourself. Royal cards might reveal some role you're current playing or a role you *should* be playing in order to deal with a situation.

**Class 3 – The Major Arcana** **Tuesday, Nov 17, 2009**

These cards represent your life's journey toward enlightenment and depict situations of major significance. Think of them as the many forks along your own particular road.

**Classical Tarot** – Incorporating astrology, numerology, Jungian archetypal signposts, and the elements of earth, air, fire and water we explore the traditional meanings of the 78-card deck.

**\$60 for all 3 classes – Prepayment for all classes required – Space is limited!**

**Class 1 – The Minor Arcana** **Tuesday, Dec 1, 2009**

Wands, Cups, Swords and Pentacles. Potential timing of events. In these cards, you'll find your ability to choose or select conditions to work with as you live your day-to-day life.

**Class 2 – The Court Cards** **Tuesday, Dec 8, 2009**

Astrological assignments and personalities represented. Family members, friends and co-workers. Who or what do they support? To whom or what do they turn their back?

**Class 3 – The Major Arcana** **Tuesday, Dec 15, 2009**

The Destiny cards. The Universal Mysteries of life. Your life lessons. Where are you on your life's journey?
